Angie Fraser, Ph.D.

Q&A with Speakers (10 min)

Wrap-up (5 min or less)
Katie Weston

OBJECTIVES

- 1) Learn about the Healthy People 2030 Food Safety Initiatives and the efforts of the AFDO Healthy People 2030 Norovirus team to reduce the burden of Norovirus through coordinated public health initiatives.
- 2) Gain an understanding of the history of Norovirus, its transmission, and its impact on public health, including key trends in outbreaks, challenges in prevention, and the evolving strategies used to mitigate its spread.
- 3) Learn about effective cleaning and sanitation practices to prevent the spread of Norovirus in homes and retail food establishments, and explore strategies for developing and implementing cleanup response plans to address environmental contamination.
