

Outreach Toolkit

Help us spread the word about the garden toolkit!

Copy-and-Paste Social Media Posts

Calling all teachers! The Garden Produce Toolkit is here and ready-to-use, featuring fun worksheets and lessons. Kids will learn to rinse produce and more. Get your free resource now: bit.ly/kids-gardens

Make garden time even more fun (and safe)! Our free Garden Food Safety Toolkit has ready-to-use lessons for anyone who works with kids in a garden. Download now: bit.ly/kids-gardens

Kids love to grow, pick, and taste fresh produce! Help them build safe habits with the Garden Food Safety Toolkit—featuring easy lessons on watering, harvesting, and rinsing. Get it free here: bit.ly/kids-gardens

Copy-and-Paste Newsletter Blurb

Kids love to grow, pick, and taste what they've planted. Now you can help them build safe habits, too! The free Garden Food Safety Toolkit is packed with ready-to-use lessons and activities on topics like safe watering and rinsing before tasting. Perfect for school and community gardens, this toolkit makes it easy (and fun!) to teach kids how to enjoy the fruits of their labor safely. Get your copy today: bit.ly/kids-gardens
